

29 - 30 AUGUST, 2020

The industry is witnessing instability. It is experiencing an extreme marketplace volatility in the wake of COVID-19.

Our mission is to address the challenges of the current business environment, and guide the industry to lead through the volatility by bringing the best knowledge and information from the pioneers and leaders of Scrum, and advance the conversation to actionable ideas.

‘Rethinking’ is the need of the hour. Our goal is to discover the new skills, tools and norms in the current situation to improve the ways of working and life of people.
